SPEAKING TOPICS

Peak Performance Mindset

The Peak Performance Mindset® system is a revolutionary model that is elevating the performance of professionals ranging from athletes to executives to sales leaders. Jamie shares both the science and working tools that you can use immediately to enhance performance both for yourself and your team members. Take your sales team to the next level with a Peak Performance Mindset Workshop!

Exponential Sales Leadership

Align passion with purpose in your sales teams while keeping them motivated and happy! Discover how to develop an exceptional sales team while increasing sales and building long-term success.

Using Personality Strengths as a Business Driver
Define the key drivers in your personality that impact your mindset. Learn to choose those key drivers strengths to positively impact how you work with others.

Pursuing Life with Passion, Purpose, and Intent
Make things happen in your life rather than reacting to things happening to you! Create an action plan for your life with goals, values, and a clear mission to live an intentional life.

The bigger the why, the bigger the try.
